Park Landscape Associate, Agronomist

Designed by the Renzo Piano Building Workshop, the SNFCC is a sustainable, world-class cultural, educational and recreational urban complex that includes the facilities of the National Library of Greece and the National Opera, as well as the Stavros Niarchos Park (SNP). It is the largest single donation of the Stavros Niarchos Foundation, and was transferred to the Greek State in February 2017.

The SNFCC Single Member S.A. is a public benefit organization responsible for the maintenance, operation and management of the Stavros Niarchos Foundation Cultural Center and the Stavros Niarchos Park, while also developing its own cultural, educational and sports programming, featuring events open to all and, in their majority, free of charge for the public thanks to an exclusive donation from the Stavros Niarchos Foundation (SNF).

SNFCC S.A. is an equal opportunity employer who pledges not to discriminate against employees or candidates for employment based on race, color, religion, sex, gender and sexual orientation, age, disability, marital status, or any other characteristic protected by law, and ensures fair treatment of all candidates on the basis of their qualifications and the conditions provided by law.

SNFCC's **Facilities Department** is responsible for the proper operation, the preventive and repair maintenance of all SNFCC's technical infrastructure and landscape. It also supports all other departments and functions of the organization.

SNFCC is seeking a candidate to fill the position of the **Agronomist/ Park Associate**, reporting to the SNFCC Park Landscape Manager. **The successful candidate** will contribute within the framework of his / her responsibilities to the maintenance of Stavros Niarchos Park, monitoring the correct implementation of the relevant contract by the Park maintenance contractor and ensure the provision of the agreed services.

Key Duties and Responsibilities:

- Coordination of the agronomist and technician team, that deals with the SNP maintenance, with long term vision the maintenance of the Park for public enjoyment
- Supervision of the SNP maintenance performed by an external partner
- Taking care of the protection of natural resources and the good health and well being of SNP plants and animals
- Monitoring and controlling the observance of the SNP maintenance contract terms.
- File keeping
- Soil moisture measurements from specific points

- Taking photos of a defined plan from specific points in the SNFCC Park and Landscape.
- Taking photos of specific tree species that are under monitoring
- Observation and recording of the shrubs' life progress
- Active participation in the organization of the operation of the SNP, according to the needs of SNFCC events and special situations
- Participation in working groups and committees
- Security personnel of SNFCC during performances or events according to the department's planning.
- Participation in the training of educational activities for the public in collaboration with the appropriate departments of the SNFCC
- Archive system, photo and observation database on SNP plants
- Coverage of Evening shifts, weekends and holidays
- Active participation in ad hoc projects of the department

Requirements:

- Bachelor's or master's degree of at least three years in agriculture, natural sciences, landscape architecture or related field
- Proven agronomist work experience, of at least 12 months, preferably in a related field
- Excellent knowledge of Greek and English both in spoken and written language
- Excellent use of MS Office

Required skills and preferred characteristics:

- Certification and / or experience in the following fields:
 - Facility management and familiarity with relevant concepts, practices and procedures
 - Contract management
 - Project control and management
- Knowledge of design programs such as AutoCAD
- Knowledge of additional languages
- Organization skills
- Emphasis on detail and compliance with deadlines
- Ability to prioritize under stressful conditions
- Ability to deal with unforeseen situations with opportunities to develop initiatives
- Ability to work in a team environment
- Flexibility in working hours.

Application procedure:

- The submission deadline is July 25, 2022, 16:59 EEST.
- Candidates must submit their resume and a brief letter of interest [HERE](#)
- All applications will initially be assessed by an independent human resource consulting firm.

- Interviews with shortlisted candidates will follow. All candidates will be notified in writing of the recruitment process completion.
- All SNFCC facilities and offices are fully accessible to Persons with Disabilities
